

The 6th annual Turkey Row was our biggest and best so far. The eights battled it out in windy conditions in Henley style heats and concluded with a breathtaking final between the Mashed Potatoes and the Sweet Potatoes! The Mashed Potatoes got to the final by defeating Stuffing and Pumpkin Pie while the Sweet Potatoes defeated Cranberry Sauce and Turkey and set up the perfect starchy final. The Sweet Potatoes claimed the "Biggest Turkey" title as well as the coveted striped-socks prizes by defeating the Mashed Potatoes in our of the closest Turkey Row final to date.
